Description

[AR-15 16? Free Float Rail Mil-Spec Rifle, 300BLK](#)

AR-15 .300 Blackout Rifle FEDARM featuring Slim line Keymod Free Float handguard .
Item Description:
Mil-Spec AR-15 Flat Top Key Mod railed semi-automatic rifle chambered for 300 AAC Blackout rounds.
It has a 4150 CMV Chrome Moly HBAR Profile Barrel, 1:8? Twist.
The upper and lower receiver are milled from Mil-Spec forged 7075-T6 and have Type III Class II hard-coat anodized finishes. The upper receiver has M4 feed ramps and a flat top Picatinny rail
This model has a low profile railed gas block, making it ideal for mounting optics or backup iron sights.
The bolt carrier and gas key are made Magnetic Particle Inspected to ensure flawlessness. The butt stock is made to commercial spec and has a standard six position retractable stock for shooters of all sizes.
What sets this rifle apart from others is the fact that it <u>has a free float KEY MOD rail handguard manufactured from a CNC machined forged aluminum extrusion.</u>
Caliber: 300 AAC Blackout
Capacity: 30 Round or Standard AR-15 / M16 Magazines
Barrel: 16? 4150 CMV Chrome Moly HBAR Profile Barrel, 1:8? Twist
Optics: Flat top Rail for mounting sights/optics (not included)
Dimensions: 32.5? – 36.25? long
Weight: ~6.8 pounds
100% Satisfaction Guarantee on all FedArm products:

If you have any issues with the quality / fit / function of your rifle upon purchase, FedArm will resolve any issues immediately through free repair or replacement. If you are not happy with the product, FedArm will pay to have it shipped back. As a new brand FedArm strives for 100% customer satisfaction and will go out of its way to ensure only the top service for its dealers and customers.

Firearms have a 1 year from factory warranty against factory defects and issues, with free shipping. Post warranty repairs will be done at or near cost, with some exceptions for abuse/damage/improper ammunition. Read owners manual before use

Please note: Optic and flashlight not included

California Customers : We will be glad to ship this item to CA. You will need to purchase an AR FEATURELESS GRIP AIM SPORTS or an AR FEATURELESS GRIP MAGPUL EXCILE MACHINE for our staff to install and If necessary we will remove the muzzle device from the firearm (all original parts are included). You will also need to purchase the [CA LEGAL AR-15 FIXED STOCK MODIFICATION](#). Please discuss the purchase as well as all details with your transfer dealer before ordering.

Please add the rifle to your cart and then add the [AR FEATURELESS GRIP AIM SPORTS or CA LEGAL AR-15 FIXED STOCK MODIFICATION](#) to your cart, these items are also listed as Optional Items (located just above the "Add to Cart" tab on this page) and those will need to be purchased before we can finish processing your order.
