Description

Kydex Grip Wrap For your Vepr Rifles that have a Thumb hole in the Wood buttstock. **This is for sale as a stand alone item or can be purchased in addition to a rifle listed in the CA legal section of our web site.**

Shipping \$7.95 VIA USPS Priority / First Class Mail

PLEASE NOTE: the addition of a grip wrap will negate the pistol grip "feature" thus making the rifle Featureless under the new 2017 CA Law. If necessary we will also remove the muzzle device from the firearm (we include all original parts in a bag zip tied to the trigger guard). If available we will install a thread protector or tape on the threads. Please make sure you have thoroughly discussed this transfer in detail with your dealer PRIOR to placing your order.

PLEASE NOTE: If you live in a magazine restricted state we remove the hi cap mag & will be glad to substitute with a 10 round mag IF _ . If a 10 round mag is not available we will remove hi cap the magazine from the shipment . We cannot ship **prohibited** magazines to out of state addresses . There will be no substitutions or discounts offered for removal of mags.

This item is non-returnable(for reasons other than manufacturing defects). Please make certain you are purchasing the correct part for your application prior to ordering. If you have questions regarding fit for your application please email our office in advance of placing your order.
