Manufacturer: B&T

Description

B&T TP9-N Pistol Features

- Cold hammer forged barrel
- Compact lightweight and durable polymer construction
- Full length optic rail, side accessory rails

- Low profile back up sights, rear adjustable barrel shroud with Tri-lug adapter for use with SD-9MA69-US suppressor
- Translucent polymer mags compatible with APC9
- Ambidextrous magazine release and safety
- Short recoil, rotating barrel, closed bolt operation
- **OEM Forearm Vertical Grip Socket**

Responding to consumer requests, B&T has redesigned the polymerframe and internals with a complicated milling process that includes a small nub that can be used to mount a VFG after the NFA application process is complete. The result is a TP9 nearly identical to foreign versions.

The B&T TP9-N Pistol was designed to meet the difficult requirements of close protection teams for a lightweight, compact 9mm PDW. The weapon is also in service with intelligence agencies, plainclothes police, SWAT teams and military special forces around the globe. Compared by weight, size, and ammunition capacity, the TP9 is a class of its own. The B&T TP9 9mm semi-auto pistol is the civilian version of the B&T MP9 SMG

Civilian legal semi-automatic pistol variant of the MP-9 sub-machinegun chambered in 9X19mm. Includes 1 translucent polymer 30 round magazine, cleaning kit, and hard case.

Please note: Listing in for Pistol, Optic, and flashlight not included

➡️Important Information⬅️

PLEASE NOTE: If you live in a magazine restricted state we remove the hi cap mag and will be glad to substitute with a 10 round mag IF AVAILABLE. If a 10 round mag is not available we will remove the hi cap magazine from the shipment. We cannot ship prohibited magazines to out of state addresses. There will be no substitutions or discounts offered for removal of mags.
